

PAEDIATRIC ORTHOPAEDIC SOCIETY OF INDIA

POSICON 2027

Free Paper Sessions · Scientific Programme

NEW CATEGORY

SUBMISSIONS STARTING SOON

PG Paper Session

A great opportunity for Postgraduates.

A Free Paper category at POSICON 2027 open exclusively to research conducted by postgraduate trainees in Orthopaedics during their training — your own work, presented by you, judged on its own stage.

WHO

MS, DNB or MCh trainees in Orthopaedics

NMC-recognised programmes. One paper per candidate.

WHAT QUALIFIES

Work done and concluded within your PG tenure

Concluded within two years of the submission deadline.

WHAT YOU BRING

Annexure I, signed by you and your HOD

Plus Ethics Committee approval or exemption reference.

GOOD TO KNOW

You must be the same person who did the study, submits it and presents it.

Co-author list is final at submission — no changes afterwards.

Paper title online must match the title certified on Annexure I.

Carry the signed original Annexure I to the registration desk.

+1

Extra evaluation point

For presenters currently in their PG programme, or within one year of completing it.

MORE INFORMATION & ONLINE ABSTRACT SUBMISSION

www.posi.in

POSICON 2027 portal — reachable from www.posi.in. Full rules and the Annexure I form: Office of the Secretary, POSI.
